Europe's Leading Trade Fair for Conservation,
Restoration and Old Building Renovation

5 - 7 November 2026

Europe's most important trade fair for cultural heritage preservation

Since 1994, every two years, representatives from the professional world, politics, authorities, science & society from Germany and abroad have been meeting in Leipzig.

Strong & long-standing partnerships at national & international level ensure a lively exchange of ideas. These include cooperation with UNESCO, ICOMOS, Europa Nostra as well as a dedicated international advisory board.

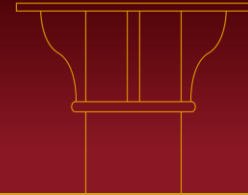

The 5 pillars of denkmal

Heritage education &
architectural culture

Climate protection &
sustainability

Building in existing
structures

Protection of
cultural heritage in
emergency situations

Digitalisation &
technologies
